Please do NOT take away my right to trade options in MY retirement account. I've taken the time to learn proper options trading, and it has grown my retirement account. Some option trades reduce risk, rather than increase it.

With Government destroying my ability to live in the future by wasting the money that was supposedly set aside in Social Security, we deserve every retirement savings tool at our disposal.

How about helping for a change, instead of destroying!

sincerely,

Michael L. McLaughlin
